A Prayer for Personal Revival

Father God, tenderize my heart again so that I desire to return to You as my first love. Wherever my heart has drifted or gotten lukewarm, return me back to You. Father, I give You permission to do whatever it takes to make me wholly Yours. Set my heart on fire for You. Send a holy ambush of your Spirit into my life to usher me out of the ruts that have hindered me from loving You with all my heart. How I long to know You more! Please draw me close and speak tenderly to my heart. In Jesus' wonderful Name I pray, Amen.
