

Revival Declaration

We believe God the Father is a consuming fire, the Father of lights and the source of all true revival.

We believe Christ is the resurrection and the life. He revives all He touches. He came to set fire to the earth in a great kingdom revival. He bore our sins, died our death, and rose again with a fire stronger than the grave. He ascended to the Father's glory, from where He now rules and reigns over all.

We believe the Holy Spirit is the Spirit of revival. He is the sacred flame that ignites, the divine river that renews, the holy wine that intoxicates, the sovereign wind that blows where it pleases. He is the Spirit that regenerates, sanctifies, illuminates, and revives. He is the Spirit of Divinity, pure, powerful, and miraculous. Where He is, there is freedom, there is life.

We believe the Word of God is alive and powerful. It is the divine revelation, the holy wisdom. It wounds and heals, kills and makes alive. It revives us causing our hearts to burn. It instructs us with the fire of wisdom, giving us the mind of Christ. It is a lamp to our feet and a light to our path.

We believe prayer is the language of the heart that longs for revival. It is the incense of adoration, the cry of desperation, the shout of faith. It is effectual and powerful to bring heaven's fire to earth.

We believe the church is the community of Christ. It is the fireplace in which His fire burns, the keeper of the flame. It is the lamp stand that shines. It is the light of the world. The church was birthed with fire on the day of Pentecost. That fire must never die but burn ever brighter until the coming of that great and glorious day. It cannot be contained. It must be spread until the entire world is aflame for Christ.
